Building Profile

What year was the building built?

- Pre 1900
- 1900 – 1950
- 1950 – 1980
- 1980 – present day

Which of the following energy efficient measures does your building have?

- Loft insulation
- Cavity wall insulation
- Hot water tank insulation
- Double / Triple glazing
- Pipe insulation
- Draft stripping
- Building energy management system (BEMS)
- No energy efficient measures

Are you considering a major refurbishment within the next five years?

- Yes
- No

Does your building have any of the following?

- Conference facilities
- Meeting facilities
- Gaming room

Services Profile

Do you have energy efficient lighting?

- Yes
- No

Is your lighting controlled automatically via time switches/sensors?

- Yes
- No

What sort of fuel do you use to heat your premises?

- Electricity
- Gas
- Oil
- LPG
- Other

Are you able to switch on/off the heating and cooling of guest bedrooms individually?

- Yes
- No

Are you able to adjust the guest bedroom temperatures individually?

- Yes
- No

Do you have air conditioning?

- Full Air conditioning
- Partial Air conditioning
- No Air conditioning

What sort of fuel do you use to heat your hot water?

- Electricity
- Gas
- Oil
- LPG
- Other

Hospitable Climates

HEAT Online Registration Forms for Hotels and Inns

- Cost
- Lack of time
- Staff Motivation
- Lack of training
- Lack of examples / case studies
- Other

Energy Use Profile

In order to benchmark and show the performance of your pub over time you need to tell us how much energy is typically being used. Using the forms below, for each of the three fuel types listed that are in use in your pub, please enter the following five details:

1. How much of the fuel has been used.
2. What units of energy this amount is given
3. The cost of a single unit in pence.
4. Over what period of time this amount was used.
5. What season(s) of the year this time period covers.

Electricity

General Information

Quantity

Unit kWh GJ

Price per unit pence

Period Fixed Select your own period

If selecting a fixed period, over what period of time was this amount used?

Monthly Quarterly 6 Monthly Annually

If selecting your own period, over what period of time was this amount used?

Months

Which seasons does your selected period cover?

Seasons Spring Summer Autumn Winter

Gas

General Information

Quantity

Unit kWh GJ BTU Therms

Price per unit pence

Period Fixed Select your own period

If selecting a fixed period, over what period of time was this amount used?

Monthly Quarterly 6 Monthly Annually

If selecting your own period, over what period of time was this amount used?

Months

Which seasons does your selected period cover?

Seasons Spring Summer Autumn Winter

Oil

General Information

Quantity

Unit Litres

Price per unit pence

Period Fixed Select your own period

If selecting a fixed period, over what period of time was this amount used?
